MAGICAL WEEK: Fairies*, Pirates, Mermaids and Dragons!
Calling all advanced and beginner fairy makers! This workshop is for all who believe in magic. A treasure-filled week. We begin with creating a large antiquated pirate map. Magical sea dragons, mermaids, and pirates live in this world. Jewels, booty, and pirate & mermaid secrets revealed! In our land of Fairy and dragons, we'll make all sorts of pixies and imps, and a fairy house! We'll look at inspirational books, a video on fairies & Ireland, go on a nature hikes and scavenge for magical stones and sticks for our fairy cottages. Roni will share her magical bead box filled with glass, jewels, and other enchantments!

3 June 28,29,30 Totally Tactile-Claymania Camp! Three packed magical days, using all sorts of self and non self-hardening clay. Learn how to use clay to illustrate your ideas into a 3-D-Drawing by imprinting into the clay, coiling, and building. Professional sculpting tools and a pasta machine will be used to create 3-D items such as miniature cupcake bowls, masks, storytellers, large sculpted animals, etc. Imaginations has no limits!

For nine years Roni's camps have been a magical and empowering experience for Eldorado children.

Teaching kindness to children and adults through collaborative art making, your child will be successful, make friends, and laugh a lot! All camp weeks include outdoor fun, short hikes, snacks, and the chance to experience art as it should be, creative and experimental.

Roni's Art Camps teach in a multi-age environment. K-8th. Small groups where the youngest feel empowered by the oldest students and the oldest feel inspired by the youngest! IT WORKS!
